RE: Docket No. 98N-1265

Dear Sir or Madam:

I understand that Docket No. 98N-1265 is now being considered. As a concerned citizen, I would ask that this proposal be amended to allow for a free choice of prescription providers regardless of where they are.

I am forced to use a mail-service pharmacy for HRT medicine, as my local HMO physician refuses to adjust the "standard" HRT medications to avoid severe reactions to the standard issuance. He says he doesn't have the time or need to adjust HRT medications. My other choice is to simply not take anything which puts me in risk of developing various diseases.

Such MOU as is being set forth is unreasonably restrictive and does not serve the public's best interest.

Thank you for your consideration.

Yours truly,
